## Checklist for Deferred Action for Certain Young People

This is a checklist of documents you should assemble and bring with you to your first meeting with the attorney. Please note that you do not need ALL of these documents. However, bring to us as many as you have. Please order your school transcript(s) NOW because most schools will take some time to process them.

If you have ever been arrested by the police, you will need to ask the Court for a "Certified Court Disposition." I can help you with this if necessary.
